

# Is it Time for an Outpatient Total Joint Replacement?

**FREE Healthcare Seminar**  
Wednesday July 22, 2015 6 - 7 p.m.

## Considering a Total Joint Replacement?

If you have found yourself saying . . . “It’s not the right time.” “Recovery is too long.” “It’s too costly.” “My current treatment is getting me by.” . . . there is a better option.

**DID YOU KNOW** that, for many, total joint replacement no longer has to be performed in a hospital? Being a surgical candidate in an outpatient surgery center means:

- ✓ Improved patient experience
- ✓ Rapid recovery in the comfort of your own home
- ✓ Lower overall costs for patients
- ✓ Higher success rates
- ✓ Decreased risk of infection

**Join Dr. Eickmann to hear about Total Joint Replacements at The Surgery Center!**

### Location of the event:

**The Surgery Center at Lutheran**

**3455 Lutheran Parkway #150**

**Wheat Ridge, CO 80033**

*(Located on SCL Health Lutheran campus)\**

### Reserve your spot today!

Dr. Thomas Eickmann, is a board-certified orthopaedic surgeon. He is a member of the Academy of Orthopaedic Surgery, as well as the Hip & Knee Society. His dedication to patient satisfaction, safety, and personal care drives his ability to send his patients home quickly while also guiding an exceptional recovery. He has performed over a hundred successful joint replacements at the surgery center. The speedy recovery from Dr. Eickmann’s surgery stems from blood conserving surgical practices, proper anesthetic techniques, and his passion for optimizing joint replacement.
